Hi Kim, wanted to let you know that I would appreciate getting copied on all RCRA Corrective Action, closure, and property transfer documentation until further notice. That could be one of the following: when the EIs are determined by EPA to be met, when EPA and the state determine who should take the lead oversight role and /or at property transfer.

Also, could you send me a second copy of the EI determinations. I will be sending a copy to our contractor for review and want to make sure I also have a copy on hand.

Thanks
Have a nice weekend
Carolyn
